

We aim to promote a range of training opportunities for businesses in the East of England who want to reduce costs and increase profits through successful environment management. All accredited training courses have an exam, and successful delegates will receive a certificate of competency from the accredited body, which can be used to demonstrate CPD. Details of all our courses can be found below.

Business Investors members enjoy a significant saving on all training offered. For further information on joining Business Investors please visit www.businessinvestors.co.uk

Accredited Business Investor Courses

Internal auditor course

This 1-day course has been specifically designed to give fundamental environmental information to those appointed to carry out 'internal auditing' within their organisation. It will also be of benefit to those undertaking an initial environmental review of a small company (or perhaps a department within a larger organisation).

Training Dates	Time	Cost
17 th February 2009	9.00am – 4.30pm	Members: £125

Accredited Chartered Institute of Environment Health (CIEH)

CIEH Level 1 – Environmental Awareness Certificate

This one day course is a nationally accredited certificate that aims to raise the awareness of environmental issues within the work place. Suitable for staff at all levels, this course aims to motivate staff to participate in new initiatives.

The programme covers:

- common environmental issues and legislation
- measures to reduce environmental impacts
- benefits of environmental management
- cost saving practices

Training Dates	Time	Cost
4 th March 2009	9.00am – 4.30pm	Members: £125

CIEH Level 3 – Environmental Management Course

This five-day management course culminates in an exam, which also leads to a nationally recognised qualification that will qualify certificate holders to become recognised as “legally competent” in the eyes of both BS 8555 and ISO 14001.

Topics covered include:

Environmental aspects and impacts, policy, management programmes, techniques, auditing, legislation and standards.
