

News Release

October 2008

Free seminar to help businesses to win more tenders...

Environmental Management is becoming an increasingly important area of the tendering process and current legislation demands that companies bidding for public sector contracts have at the very least an Environmental Policy.

Business Investors, part of Peterborough Environment City Trust is providing a free breakfast seminar to help businesses tap into £125 billion worth of public sector business that is currently available each year. The seminar will be run in conjunction with Business Links, Chamber of Commerce and hosted by JNCC.

The seminar includes a talk from guest speaker and tendering expert, Helen Marini from BaxterMarini Ltd. who will cover aspects of the tendering process such as where to find tendering opportunities, how to prepare a tender and also current EU legislation.

The seminar is being held on Wednesday 15th October, 9am – 11.30am and is being held at JNCC, Monkstone House, City Road, Peterborough PE1 1JY.

To book your free place visit <http://www.businessinvestors.co.uk/calendar.html> and download the booking form, or call Kalai Mahalingam on 01733 569830.

ENDS

Notes to Editor

1. **Peterborough Environment City Trust (PECT)** is a charity set up following Peterborough's designation as a UK Environment City. 2008 marks 15 years of PECT and 15 years of Peterborough's commitment to the environment. PECT carries out research and implements practical projects to protect and improve the environment. Our mission at PECT is to lead and support the city in delivering growth and regeneration in a truly environmentally sustainable way. As a successful charity we work with a wide variety of stakeholders to make a difference for our environment – through innovation, enterprise and commitment to action on the ground. PECT has a strong track record of delivering projects of regional and national significance. It has a staff of 35 working on initiatives from green spaces to business environmental management to sustainable communities and lifestyles.
